# Seminar Traceability in Chemistry

## AGENDA

February, 26, 2008

APAT, Via Brancati, 48 - 00144 Roma

- 09,30** Registration of participants
- 10,00** Opening of the meeting
- 10,10** Basic concepts of the revised VIM  
(Prof. Renè Dybkaer, Denmark)
- 10,45** Discussion
- 11,15** Break
- 11,30** Transparent and practical metrological traceability chains:  
key tools for any chemical measurement result  
(Prof. Paul De Bievre, Belgium)
- 12,30** Discussion
- 13,15** Lunch
- 14,00** The italian approach to the traceability in chemistry  
(Dott.ssa Michela Segà, Italy - Istituto Nazionale di Ricerca Metrologica)
- 14,30** Plenary discussion
- 16,00** Closing of the meeting

Participants are kindly asked to send the attached registration form to fax (06-5050519)  
or by email to: Adele Aloisi ( [adele.aloisi@apat.it](mailto:adele.aloisi@apat.it) ) or  
Fabrizio Babalini ( [fabrizio.babalini@apat.it](mailto:fabrizio.babalini@apat.it) )

If you have any enquiries regarding the program please contact:  
Paolo de Zorzi ( [paolo.dezorzi@apat.it](mailto:paolo.dezorzi@apat.it) - 06-50073211 )
