

## ATMOSPHERE

### EMISSION OF CO

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE

### DAILY FLOW OF CIRCULATING VEHICLES ON THE ROADS (LIGHT AND HEAVY MEANS OF TRANSPORT)

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Institutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE

### AIR QUALITY (NO<sub>2</sub>)

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

#### Connections with other indicators:

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

# ATMOSPHERE

## OVERCOMING OF NORMATIVE LIMITS

### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

### Normative references and objectives:

Normative references	
Objectives/standards	

### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE

### NUMBER OF MORBIDITIES DUE TO AIR POLLUTION

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE

### INCREASE OF HEALTH COST FOR PATHOLOGIES DUE TO AIR POLLUTION

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Institutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

--	--

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE

### STATE OF ART OF RECLAMATION AND PROTECTION PLANNING OF AIR QUALITY

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Institutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

--	--

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE

### SPECIFIC TEMPORAL MEASURES IN MATTER OF AIR QUALITY

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE (metheorology)

### TEMPERATURE (data collection)

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE (metheorology)

### RAIN (data collection)

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## ATMOSPHERE (metheorology)

### WIND (data collection)

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### NUMBER OF RIVERS

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

## SOLID FLOW

### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

### Normative references and objectives:

Normative references	
Objectives/standards	

### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### NUMBER OF WORKS IN BANK

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### REDUCTION OF FREQUENCY OF THE FLOODS

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### CONCENTRATIONS OF DANGEROUS SUBSTANCES IN THE RIVERS

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### PER CAPITA CONSUMPTION OF DRINKING WATER

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### WITHDRAWAL FOR AGRICULTURAL USE

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### REQUESTED PERMISSIONS FOR WATER USE

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## SUPERFICIAL WATER

### POINTS OF SAMPLING FORESEEN FOR MONITORING

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## UNDERGROUND WATER

### DEPTH OF THE WATER TABLE

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## UNDERGROUND WATER

### CHEMICAL STATE OF THE UNDERGROUND WATER

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## UNDERGROUND WATER

### NUMBER OF LOCATION OF THE WELLS

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>		

## UNDERGROUND WATER

### PERMEABILITY

#### Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

#### Normative references and objectives:

Normative references	
Objectives/standards	

#### Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

**Connections with other indicators:**

<b>Among categories</b>	
<b>Among sectors</b>	
<b>Among indicators</b>	

**Bibliography:**

<b>Web sites</b>	<b>Local</b>	<b>Istitutional</b>
<b>Bibliography of reference</b>
