

NOISE

DAY AND NIGHT LOUD EMISSIONS

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

POPULATION EXPOSED TO NOISE

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

VARIATION OF ECONOMIC VALUE OF BUILDINGS

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

NUMBER OF SITES OF NOISE SURVEY

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

NUMBER OF REQUESTS OF AUTHORIZATION FOR NEW PRODUCTIVE ACTIVITIES

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

--	--

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

TERRITORIAL CONCENTRATION OF THE PATHOLOGIES DUE TO NOISE

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

OVERCOMING OF NORMATIVE LIMITS

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOISE

SYSTEMS OF DEFENCE BY NOISE IN THE BUILDINGS

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOT IONIZING RADIATIONS

NUMBER OF PRESENT PLANTS FOR RADIOTELECOMMUNICATION

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOT IONIZING RADIATIONS

OVERCOMING OF NORMATIVE LIMITS

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOT IONIZING RADIATIONS

EXPOSED POPULATION

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

NOT IONIZING RADIATIONS

PLANNING OF RECOVERY

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

IONIZING RADIATIONS

PRESENCE OF RADIOACTIVE WASTE

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

IONIZING RADIATIONS

AVERAGE INDIVIDUAL YEARLY DOSE

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

IONIZING RADIATIONS

CONCENTRATION OF INDOOR RADON ACTIVITY

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference		

IONIZING RADIATIONS

SURVEY NETS OF ENVIRONMENTAL RADIOACTIVITY

Identified elements:

Category		
Sector		
Typology		
Unit of measurement		
Proponents	Local	Istitutional
Sources		

Normative references and objectives:

Normative references	
Objectives/standards	

Description and importance for the policy:

Description of the indicator	
Importance for the local policies	

Connections with other indicators:

Among categories	
Among sectors	
Among indicators	

Bibliography:

Web sites	Local	Istitutional
Bibliography of reference
