

List of invasive alien species of Union concern of the EU Regulation 1143/2014, occurring in Italy.

Scientific name	Common name	Occurrence in Italy
Plants		
<i>Alternanthera philoxeroides</i>		Localized
<i>Asclepias syriaca</i>		Widespread
<i>Baccharis halimifolia</i>		Widespread
<i>Cabomba caroliniana</i>		Absent
<i>Eichhornia crassipes</i>		Localized
<i>Elodea nuttallii</i>		Widespread
<i>Gunnera tinctoria</i>		Absent
<i>Heracleum mantegazzianum</i>		Localized
<i>Heracleum persicum</i>		Absent
<i>Heracleum sosnowskyi</i>		Absent
<i>Hydrocotyle ranunculoides</i>		Widespread
<i>Impatiens glandulifera</i>		Widespread
<i>Lagarosiphon major</i>		Widespread
<i>Ludwigia grandiflora</i>		Localized
<i>Ludwigia peploides</i>		Widespread
<i>Lysichiton americanus</i>		Absent
<i>Microstegium vimineum</i>		Absent
<i>Myriophyllum aquaticum</i>		Widespread
<i>Myriophyllum heterophyllum</i>		Absent
<i>Parthenium hysterophorus</i>		Absent
<i>Pennisetum setaceum</i>		Widespread
<i>Persicaria perfoliata</i>		Absent
<i>Pueraria lobata</i>		Localized
Invertebrates		
<i>Eriocheir sinensis</i>		Sporadic reports to be confirmed
<i>Orconectes limosus</i>		Widespread
<i>Orconectes virilis</i>		Absent
<i>Pacifastacus leniusculus</i>		Widespread
<i>Procambarus clarkii</i>		Widespread
<i>Procambarus fallax f. virginalis</i>		Widespread
<i>Vespa velutina nigrithorax</i>		Localized
Fishes		
<i>Percottus glenii</i>		Absent
<i>Pseudorasbora parva</i>		Widespread
Amphibians		
<i>Lithobates (Rana) catesbeianus</i>		Localized
Reptiles		
<i>Trachemys scripta</i>		Widespread
Birds		
<i>Alopochen aegyptiaca</i>		Localized
<i>Corvus splendens</i>		Absent
<i>Oxyura jamaicensis</i>		Occasional
<i>Threskiornis aethiopicus</i>		Widespread
Mammals		
<i>Callosciurus erythraeus</i>		Localized
<i>Herpestes javanicus</i>		Absent
<i>Muntiacus reevesii</i>		Absent
<i>Myocastor coypus</i>		Widespread
<i>Nasua nasua</i>		Absent
<i>Nyctereutes procyonoides</i>		Localized

<i>Ondatra zibethicus</i>		Occurrence to be confirmed
<i>Procyon lotor</i>		Localized
<i>Sciurus carolinensis</i>		Widespread
<i>Sciurus niger</i>		Absent
<i>Tamias sibiricus</i>		Localized
