

Italian Institute for Environmental Protection and Research

Governing Board

Scientific Committee

Independent Assessment Body

Board of Auditors

Presidency

Unit for Research Strategic Coordination and Assessment

Unit for National System for Environmental Protection (SNPA)

Unit for International Affairs and Institutional Relations

Technical Secretariat of the Presidency

Press Office

Secretariat of the Presidency

Directorate General

Unit for Legal Affairs and Litigation

Unit for Process Management

Division for Environmental Information, Statistics and Reporting

Division for the National Environmental Information System

Unit for Institutional Communication, Environmental Dissemination, Public Events and Relations with the Public

Division for Environmental and Technical Regulation

Secretariat of the Director General

Planning and Programming Sector

Accounting Sector

Prevention and Protection Section

Occupational Medicine Section

Qualified Expert Section

VAL

Department for Environmental Assessment, Monitoring and Sustainability

Division for Risks and Sustainability of Technologies, Chemicals, Production Cycles and Water Services and for Environmental Inspection Activities

Division for Integrated and Strategic Environmental Assessments and Interactions between Environment and Health

Division for Environmental Certifications

Unit for Economic Evaluation, Environmental Accounting and Sustainability, Perception and Social Management of Environmental Risks

Unit for Assessment, Prevention and Control of Environmental Pollution from Physical Agents

Unit for Emissions Estimation, Air Pollution and Climate Change Prevention, Impact Evaluation, Mitigation and Adaptation Measures

Unit for Sustainable Development of Aquaculture in Inland, Transitional and Marine Coastal Waters

GEO

Department for the Geological Survey of Italy

Division for Structural and Marine Geology, Geological Mapping and Survey

Division for Applied Geology, River Basin Planning, Hydrogeological Risk Management, Hydrogeology, Groundwater Hydrodynamics

Unit for Geological Surveys System and National Geological Heritage

Unit for Integrated Land Use Monitoring, Land Transformation and Desertification

Unit for Soil Protection and Contaminated Sites

Unit for Geodynamics, Georesources, Geohazards

Unit for Applied Geophysics

BIO

Department for the Monitoring and Protection of the Environment and for Biodiversity Conservation

Division for Sustainable Land-Use Planning, Protected Areas, and Landscape Conservation, Nature and Terrestrial Ecosystem Services

Unit for Monitoring of Air Quality and Operational Climatology

Unit for Monitoring of Inland Waters Environmental Quality and for Operational Hydrology

Unit for Hydrology, Hydrodynamics, Hydromorphology, State and Evolution of Inland Water Ecosystems

Unit for Marine Waters and Ecosystems Monitoring and Characterisation

Unit for Marine Biodiversity, Habitats, and Species Conservation

Unit for Conservation, Management and Sustainable Use of Fish and Marine Resources

Unit for Conservation and Sustainable Use of Terrestrial Biodiversity and Soils, and Sustainable Management of Forest and Agricultural Systems

Unit for Technical Advice and Strategies for Conservation and Management of National Wildlife and Mitigation of Damages and Impacts

Unit for Conservation Genetics

Unit for Epidemiology, Ecology and Management of Habitats and Non-Migratory Wildlife

Unit for Migratory Birds

AGP

Department for Human Resources and General Administration

Division for Human Resources Planning and Legal Management

Division for Financial Management of Human Resources

Division for Administration and Economic Balance

Division for Public Procurements and Tenders

Division for General Services, Inventory, Infrastructures and Maintenance

Division for Information Technology

Division for Venezia and Chioggia's Territorial Platform

Division for Bologna and Livorno's Territorial Platform

Division for Palermo's Territorial Platform

CN-NUC

National Centre for Nuclear Safety and Radiation Protection

Unit for Nuclear Activities Control

Unit for Radiation Protection

Unit for Nuclear Technologies

CN-CRE

National Centre for Environmental Crises, Emergencies and Damage

Centre for Operational Environmental Surveillance

Unit for Environmental Emergencies on Land

Unit for Environmental Emergencies at Sea

Unit for Environmental Damage Assessment and Remediation

CN-LAB

National Centre for the National Laboratories Network

National Centre Coordination Committee

Biology Unit

Metrology Unit

Physics Unit

Chemistry Unit

Ecotoxicology Unit

CN-RIF

National Centre for the Waste Cycle

Unit for the Waste Accounting

Unit for Economic, Social and Negotiation Tools

Unit for Waste Regulation and Technologies

CN-COS

National Centre for Coastal Zone Protection and Characterization, Marine Climatology and for Operational Oceanography

Unit for Marine Weather Physical Parameters Monitoring and Marine Climatology

Unit for Operational Oceanography, Coastal Hydrodynamics, Coastal Monitoring and Protection

Unit for Tides and Lagoons

Unit for Physical, Chemical and Biological Integrated Assessment of Coastal-marine and Brackish Environments and of Impacts along Coastal Areas in relation to Human Pressure

CN-EDU

National Centre for Environmental Education, Training, and Library and Museum Networks

Unit for Museum Activities

Unit for Environmental Education and Training

Library Unit
