

## Monday, March 2<sup>nd</sup>

Arrival at hotel (name tags and final agenda available at reception)  
Informal reception in the hotel bar at 21.00

## Tuesday, March 3<sup>rd</sup>

09.00 – 12.30 **MORNING SESSION** Chair: Luca Bargelloni

*Work Package presentations (objectives and work plan, progress to date, expected progress year two, deliverables and milestones)*

- 09.00 – 09.30 Welcome from the coordinator (Einar Eg Nielsen) and local host (Sabina De Innocentiis)
- 09.30 – 10.00 Progress towards overall objectives and work plan for AquaTrace (Einar Eg Nielsen)
- 10.00 – 10.30 **WPI** Industrial survey on the breeding practices in the European aquaculture industry (Hervé Chavanne)
- 10.30 – 11.00 *Coffee break*
- 11.00 – 11.15 **WP2** Integration of knowledge and resources from previous related research projects and other relevant sources (Terje Svåsand)
- 11.15 – 11.45 **WP3** Establishment and management of the AquaTrace website, database and web based information access platform, including geo-visualization in support of data analysis and dissemination (Jann Martinsohn, Johan Hoffher)
- 11.45 – 12.00 **WP4** Collection and archiving of tissue samples from farmed and wild fish (Luca Bargelloni)
- 12.00 – 12.30 **WP6** Development of genomic resources for marine species (Rob Ogden)
- 12.30 – 14.00 *Lunch at the hotel*
- 14.00 – 18.00 **AFTERNOON SESSION** Chair: Einar Eg Nielsen
- Work Package presentations (continued)*
- 14.00 – 14.30 **WP7** Establishment of genetic and demographic baselines for marine species (Filip Volckaert)
- 14.30 – 15.00 **WP8** Development of molecular tools for assessing and monitoring (Martin Taylor)
- 15.00 – 15.15 **WPI0** Forensic validation of tools and Standard Operating Procedure (SOP) development for laboratory and analytical processes (Lucy Webster)
- 15.15 – 15.45 **WPI1** Risk assessment and management recommendations (Jann Martinsohn, Johan Hoffher)
- 15.45 – 16.15 *Coffee break*
- Popular presentations*
- 16.15 – 16.30 Marine aquaculture in Italy (Giovanna Marino)

- 16.30 – 17.45 Quantification of genetic differences between wild and farmed Atlantic salmon (*Salmo salar* L.) (Alison Harvey)
- First insights from the ddRAD sequencing in marine species (Jasmien Hillen, Francesco Maroso)
- 17.45 – 18.00 General discussion and feedback
- 18.15 – 19.30 Management board meeting (Scientific Steering Committee + WP leaders)
- 20.00 *Dinner at “Pizzeria San Marco”*

## Wednesday, March 4<sup>th</sup>

09.00 – 12.30 **MORNING SESSION** Chair: Martin Taylor

*Work Package presentations (continued)*

- 09.00 – 09.30 **WP5** Common garden experiments: quantification of genetic differences between wild and domesticated conspecifics (Kevin Glover)
- 09.30 – 10.00 **WP9** Linking adaptive life history traits and genetic variation (Dorte Bekkevold)
- 10.00 – 10.15 **WPI2** Communication and engagement with project outputs (Einar Eg Nielsen)
- 10.15 – 10.30 **WPI3** Coordination and management (Einar Eg Nielsen)
- 10.30 – 10.35 Introduction to marine species/model species workshops (Einar Eg Nielsen)
- 10.35 – 11.00 *Coffee break*
- 11.00 – 16.00 **Marine species integration workshop** (chair Filip Volckaert)/  
**/Model species integration workshop** (chair Gary Carvalho)
- Marine species** (at “Cesi Hall”):
- 11.00 – 11.45 *Theme B: Genetic database (WP3)*
- 11.45 – 12.30 *Theme D: Genomic resources and genotyping WP6 and WP7*
- Model species** (at “Executive Hall”):
- 11.00 – 12.30 *Theme 1: Common Garden*
- 12.30 – 13.30 *Lunch at the hotel*
- 13.30 – 16.50 **AFTERNOON SESSION**
- Marine species** (at “Cesi Hall”):
- 13.30 – 16.00 *Theme D: Genomic resources and genotyping WP6 and WP7*
- Model species** (at “Executive Hall”):
- 13.30 – 16.00 *Theme 2: Linking adaptive life-history traits and genetic variation*
- Plenary** (at “Cesi Hall”)
- 16.00 – 16.50 *Theme E: Development and validation of molecular tools (WP8 and WPI0)*
- 17.00 – 19.30 *Sightseeing in Rome (ends at restaurant)*
- 20.00 *Dinner at “Eataly”*

## Thursday, March 5<sup>th</sup>

09.00 – 12.30 **MORNING SESSION** Chair: Jann Martinsohn

*Synthesis from thematic workshops*

09.00 – 09.45 Marine species integration workshop:  
Conclusions and strategy for progress in relation to marine species

09.45 – 10.30 Model species integration workshop:  
Conclusions and strategy for progress in relation to model species

10.30 – 11.00 *Coffee break*

11.00 – 12.30 Integration of model and marine species results  
in relation to the risk assessment and management recommendations  
(Jann Martinsohn, Johan Hoffher)

12.30 – 13.30 *Lunch at the hotel*

13.30 – 17.30 **AFTERNOON SESSION** Chair: Terje Svåsand

13.30 – 15.00 Dissemination plan towards industry partners, scientists, stakeholders,  
policy makers including risk assessment and the general public:  
Progress and challenges (Jann Martinsohn, Einar Eg Nielsen)

15.00 – 15.30 2<sup>nd</sup> progress report: How to proceed? (Kirsten Thomsen, Einar Eg Nielsen)

15.30 – 16.00 *Coffee break*

16.00 – 17.00 Evaluation of the meeting (including reports from rapporteurs)

17.00 – 17.30 “Any Other Business” and end of Meeting

17.30 – 18.30 Scientific Steering Committee meeting

20.00 *Dinner at “Prisco”*

## Friday, March 6<sup>th</sup>

*(detailed agenda in separate file)*

08.30 – 13.00 Italian stakeholders workshop (ISPRA, Via Brancati 60)

08.30 – 10.30 AquaTrace presentations

10.30 – 11.00 *Coffee break*

11.00 – 13.00 Discussion/round table with invited Italian stakeholders

# 2<sup>ND</sup> AQUATRACE ANNUAL MEETING ROME, ITALY | 2-6 MARCH 2015

AGENDA

SCIENTIFIC SECRETARY: Sabina De Innocentiis [sabina.deinnocentiis@isprambiente.it](mailto:sabina.deinnocentiis@isprambiente.it)

ORGANIZING SECRETARY: Sabrina Arata Farris [sabrina.farris@isprambiente.it](mailto:sabrina.farris@isprambiente.it)

WEB TV: Chiara Bolognini, Lorena Cecchini [tv@isprambiente.it](mailto:tv@isprambiente.it)

GRAPHIC PROJECT: Elena Porrazzo [elena.porrazzo@isprambiente.it](mailto:elena.porrazzo@isprambiente.it)

**VOI CICERONE HOTEL**
