From airport Leonardo da Vinci a shuttle train Leonardo Express connects to central station "Stazione Termini" every 30 minutes (30 min journey, 14€). From "Stazione Termini" to the Botanic Garden line H. Get off at the bus stop in Piazza Belli (after Ponte Garibaldi), then walk for 900 m to the Botanic Garden.

Other trains from the airport stopping at many intermediate local stations. Get off at "Stazione di Trastevere" (cost is about 5,50 €). This station is close to the Workshop venue (1,8 Km). Public transport from Stazione di Trastevere to the Botanic Garden: tram 8 or lines H or 780 (direction Piazza Sonnino). Get off at the bus stop in Piazza Belli (before Ponte Garibaldi),

Taxi: from Fiumicino to the city centre (Orto Botanico is to be considered "city centre") there is a flat price of 50 € and from Ciampino it is 30 € (up to 4 people, luggage included). All licensed taxi cabs are white and have a taxi sign on the car's roof and their own license number inside the car. Be careful of unlicensed and illegal taxi drivers usually costly and unpredictable.

The second airport of Roma is Ciampino connected to the train station Roma Termini by buses (companies Cotral Schiaffini and Terravision). Tickets can be bought on board and cost about 5 Euro.

City public transport metro and buses ticket price is 1,50 € valid for 100 minutes after the initial validation on the buses/trolleybuses and only for 1 ride on the subway.

There is a taxi stop in front of the main entrance of the Botanic Garden (Largo Cristina di Svezia).
